A close-up, black and white photograph of a computer keyboard. The central focus is a large, rectangular key labeled 'SEARCH' in white capital letters. Below the 'SEARCH' key is a key with a white arrow pointing diagonally down and to the left. To the right of the 'SEARCH' key is a key with the number '7' and the word 'HOME' below it. Further down on the right is a key with the number '4' and a small left-pointing arrow below it. The background shows other keys like '[', ']', and 'LOCK' but they are out of focus.
